

# "Tabernacle" Trailer Package

## Attention

The information contained in the trailer packages below is provided as an example of what a package may contain. These packages have been put together by our staff consultants and while we are happy to provide them just as listed, we realize most churches have distinct needs. Church on Wheels sells custom tailored solutions to fit your needs based on location, type of ministry, personal preference, and available funding. For additional information on a custom trailer package please contact one our representatives.  
The prices listed are as of November 2008.
